766 N. V. CHINNAPPA, Ag. *Controller of Stores.*

OFFICE OF THE WORKS MANAGER, GOVERNMENT DICHROMATE FACTORY, BELAGULA.

Notification.

One hundred and fifty used oil steel barrels of 40 to 45 gallons capacity are available for sale at the factory in Belagula. Those that are interested in the purchase of the same may submit their rates by 31st January 1946 with an earnest deposit of Rs. 100 in cash. The earnest deposit will be refunded if the tender is not accepted and in the case of successful

tenderer the same will be adjusted. The barrels may be examined on the working days of the factory between 8 A.M. and 5 P.M.

758

Notification dated 10th January 1946.

Notice is hereby given that sealed tenders will be received at the Office of the Government Dichromate Factory, Belagula, till 3 P.M. on 1st February 1946, for the construction of Staff Quarters at Belagula which is expected to cost Rs. 25,000 approximately. An estimate of the quantities together with specifications may be obtained from the Office of the Government Dichromate Factory, Belagula. Quantities are not guaranteed. Work should be completed by the end of June 1946.

The plans and detailed estimates may be seen at the Office of the Government Dichromate Factory, Belagula, between 8 A.M. and 5 P.M. on any working day.

The rate should be entered both in words and figures for different items. Each tender must be accompanied by a deposit of Rs. 500 in cash or chellan for having remitted the money to any Mysore Government Treasury to the Credit of "15A Industrial Deposits, Mysore Chromate Factory Deposits".

The final acceptance of the tender will rest with the Director, Engineering and Chemical Industries, who does not bind himself to accept the lowest tender or to assign any reason whatsoever for the rejection of any tender.

Within ten days of the acceptance the successful competitor will be required to execute the usual contract as in Mysore Public Works Department.

On acceptance of the tender the earnest money of the rejected tenderers will be returned.

Rates once tendered will not be enhanced on any account. Rates of non-tendered, non-estimated items will be as per schedule of Mysore Public Works Department.

On all matters of dispute about rates, quantities, measurement and quality of work, the decision of the Director, Engineering and Chemical Industries, shall be final and legally binding.

Cement and Mild Steel Rods may be supplied to the contractor if available at controlled rates plus a centage of 12½ per cent on the value.

Water will be supplied at annas three (0-3-0) per every thousand gallons.

The contractor shall make his own arrangements to procure all the building materials and finish the work within the time.

764 H. V. SREENIVASARANGACHAR, *Manager*.
